CERTIFICATE OF INTERNSHIP

Mohsin Mushtaq has interned with Free Press Kashmir from **Jan 20, 2024 to Feb 28, 2024**, and we found him to be exceptional in all jobs and tasks assigned during this tenure.

I am witness to the organisational capability and analytical mind he has, that he uses to create the best out of resources available. He has proven to be a team leader who can take everyone along, and keep cool in a crisis situation.

I have seen him take up journalism in a place like Kashmir, arguably one of the most difficult places in the world to do journalism right now.

Mohsin has worked under my supervision and I have closely followed his journalistic and editorial work. I have seen his attention to details and ability to handle complex issues with well researched articles. His quality work, while upholding the ethics of journalism, and producing world class work consistently makes me sure that he will excel.

Mohsin has the capabilities to work in a team, taking criticism and guidance, and deliver on time.

During his tenure, I have found him to be punctual, disciplined and someone who has more often than not, produced exceptional work.
